### **Original Acrylic "Genesis"**

Lancaster's own, artist Laura Mark-Finberg was selected by the RMEF as one of the three artists, notionally, to be showcased in the National RMEF art package for 2012. Laura has a history of working with the RMEF dating back to 2001 when she produced the 1<sup>st</sup> State of Pennsylvania Conservation Print to coincide with the first Elk hunt conducted in Pennsylvania's modern era. This year Laura has graciously agreed to offer the **original acrylic** of that first state print titled "Genesis" for auction at our banquet. Remember this is not a print, it is the original. Please see [www.markfinberggallery.com](http://www.markfinberggallery.com) for information on Laura.
